

Ref: ATALAYA APARTMENT 3587

Precio/Price : 490000€

Incredible opportunity to acquire a new 3 bedroom unit on the ground floor well below the current price of the same property. This unit will be ready in September 2018 for the first occupation and comes with a 10 year developer's warranty. This new unit offers the latest in design features with a contemporary, bright, contemporary style that includes large kitchen work surfaces and one-piece sinks, underfloor heating, intelligent control systems and extravagant sliding glass doors that open the corner in what is essence a large apartment with afternoon sun. Beautiful apartment that would give a great investment and many happy years of family vacations.
